

# VIRTUAL OPEN HOUSE

## SR-122/ELK CREEK ROAD INTERSECTION IMPROVEMENTS

November 3rd, 2022 - December 5th, 2022

Participate online at:

<https://publicinput.com/114613>

Participate by phone at: (855) 925-2801, code: 2488

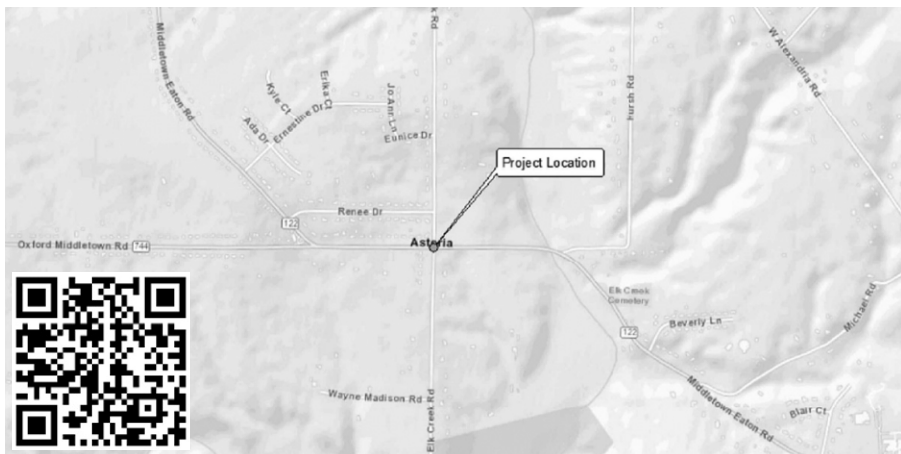

ODOT is working to make travel easier and safer around the intersection of SR-122 (Middletown Eaton Road) and Elk Creek Road in Butler County. Improvements will address escalating crash rates.

The purpose of the Virtual Open House is to discuss the project and proposed alternatives with the community, answer questions, and gather community input before making decisions.

This open house meeting will be held online at the website and phone number above. Anyone needing special meeting assistance should call (513) 933-6597 by November 10th, 2022. The website has information such as handouts, visuals, and videos.

Questions and comments can be submitted on the project website and by mail, email, or phone. Comments received by December 5th, 2022 will be compiled and posted on the website.
